How to submit your work.

Important! Only 1 nomination and model in 1 folder, if you have entered more than one nomination, you have to repeat these steps for each nomination with different codes

After you have put your files on google disk, please fill this <u>form</u> (you can find this link also later in this instruction)

How to upload photos in google drive

From Computer -

Choose your photos (make sure, you have all required photos - you can see this information in judging criteria file)

It will be easier for you, if you will put your photos in a separate folder.

Open your internet browser and go to https://www.google.com/drive/
